THE BLOCK, ACTIVATED

THIS IS WHAT A FULL HOUSE ON FREMONT EAST LOOKS LIKE.

Feed the Block — the district packed end to end, street closed, stage lit. Now imagine the whole block reading as your brand.

THE OPPORTUNITY

MOST ACTIVATIONS RENT A BOOTH. YOU CAN RENT **A BLOCK**

The weeks brands fight to own — CES, F1, the big convention runs, product launches — happen in Las Vegas. F.E.E.D. is the one place you can own an entire block of Downtown for them: one operator, one contract, the whole street.

ONE BLOCK, ONE CONTRACT

Multiple venues, rooftops, stages, and a permitted street closure — handled by a single accountable team.

BUILT FOR TENTPOLE WEEKS

Engineered for CES, F1, convention-week takeovers, and the launches brands plan a year out.

A DOWNTOWN DESTINATION

Backed by the City of Las Vegas and the LVCVA, in the fastest-rising district in town.

THE CANVAS • F.E.E.D.

YOU'RE NOT RENTING A VENUE. YOU'RE RENTING A BLOCK.

F.E.E.D. — the Fremont East Entertainment District — is a single block of Downtown Las Vegas you can take over end to end: thirteen venues, rooftops, stages, and the street itself, closed and handed to one brand. One operator. One contract. Production, permitting, security, and F&B all under a single accountable team.

FOUR WAYS BRANDS USE **THE BLOCK**

01

PRODUCT LAUNCH

Debut a product to press, creators, and a live crowd — the block as your stage and your set, built to generate content that travels.

02

CONCERT & HEADLINER

A ticketed or free show with a national headliner. F.E.E.D. has hosted Marshmello, Diplo, Major Lazer, and Gryffin.

03

CONVENTION ACTIVATION

Own the off-site during CES, F1, or a major convention — the after-hours home where the real business gets done.

04

EXPERIENTIAL POP-UP

A multi-day branded world — wraps, projection, retail, and programming — designed to reach far beyond the block.

THE PROOF • F.E.E.D. SO FAR

THE PLATFORM YOUR ACTIVATION STEPS ONTO.

This isn't an empty street. F.E.E.D.'s first seasons drew city-scale crowds, national press, and headliners like Marshmello, Diplo, and Major Lazer — the audience and the machine are already here.

CASE STUDY • CES 2026

TRANSUNION TOOK THE DISTRICT.

For CES 2026, TransUnion used F.E.E.D.'s multi-venue footprint for a three-day brand activation — district-wide building wraps, street-level experiences, rooftop receptions, and live entertainment, all run by one team.
